### **Conclusion**

We all want the best for our children,  
but what does God want for our children?

### **Discussion Questions**

1. If our children are to be “Treasured”, what are some ways we can express to them how much they mean to us?
2. Since children are to be “Trained”, should we not “outsource” the training to those who are “most qualified” to train them?
3. It is possible that we have chosen “the wrong Target” for our children, since we were not properly informed. So what can we do now?
4. How does God treat us as His children — which would change the way we treat our children?
